Dear Harold,

Hope your convalence is smoothly progressing. It is must be reassuring to know you have such a fine clother superising your treatment, even if his subordinates aren't very been listeners.

a draft of our joint request for records of the LEGAT in Mexico City. I would like him to file it on his legal stationary for whatever advantage that might pro-

we all agency records "on the HSCA investigation. Although I won't get the

Tengressianal records, this should include items like HSCA access to classification documents as well as their dealings with the physical evidence. Have you asked for the FBI and CIA recard. relating to the HSCA? Lalso plan to cash the Executive office of the President for any records If you feel up to it, could you chele the FBI us. CIA file for the DeLoach memo concerning LBJ's belief in a CIA Conspiacys? Just the serial # will suffice, as of Can get of from the FBI downtown. Keirin will be in Dallas from 2-3 more weeks.
